

## **SC/ST CELL**

The SC/ST cell of Mother Teresa Women's University was established in the year 2006 to fulfill the guidelines of UGC. The SC/ST Cell functions for the welfare of the students, academic and administrative faculty of Mother Teresa Women's University and its Affiliated Colleges. The cell monitors the initiatives and implementation of the reservation policies enacted by Government of India and Government of Tamil Nadu.

The SC/ST Cell is working on the development of the students of SC/ST category. The cell monitors the admission of students and the recruitment of teaching and non-teaching staff at various levels. The cell provides awareness on the policies and programmes available for the students to develop themselves in their academic endeavor. The cell also ensures to give all required information on the scholarship and fellowship assistance available through various government agencies. The officers of the cell convene meetings periodically to ensure the wellbeing of the SC/ST students and staff. The cell also implements any new policies or programmes initiated by the Government. Moreover the cell also concentrates on addressing the personal, social and academic grievances of the students, academic and administrative faculty of Mother Teresa Women's University and its Affiliated Colleges in all possible ways to give a permanent solution. Remedial coaching and special coaching for all competitive examinations is conducted through the cell. The students and staff can approach the Liaison officer of SC/ST cell through mail or in person for any grievance. The committee will resolve the grievance based on the guidelines. The SC/ST Cell of Mother Teresa Women's University not only works towards the welfare of SC/ST students and staff but also renders its service to everyone in the institution.
