

Mother Teresa Women's University

Kodaikanal -624101

Research and Development cell

VISION

Developing and strengthening the research eco-system of university

MISSION

- To create a conducive environment for excellent research productivity
- To facilitate greatest access to research through mobilization of resource of funding
- To support the sustainable collaborative research at national and international levels

OBJECTIVES

Research and Development cell which aims to foster the research by promoting the recently emerging areas of Science and Humanities. It encourages the students to undertake the research in multidisciplinary fields. The objectives are,

1. To facilitate the growth of research cultural activity.
2. To provide a conducive environment for support of research and innovation activities.
3. To encourage the development by interdisciplinary research, in live with the university priorities.
4. To encourage the academic community and departments for International collaboration research.
5. To provide awareness on opportunities of Research and Development among the faculty and students.
6. To aid for applying and getting funds for conducting programme like FDP/ Conference/ Seminar/Workshop from various funding agencies.
7. To preserve the code of ethics for publication.
8. To assist the faculty members to find out funding sources.
9. To organize workshops and staff development activities on research related issues

10. To encourage the faculty to perform the research for achieving SDG goals

The University provides augmented research facilities to promote research culture. New schemes are oriented periodically. Central Instrumentation Centre facilities are available with Advanced Research Instruments like FTIR & XRD, UV-Visible & HPLC, GCMS and PCR high-end research equipment. An Artificial Intelligence Laboratory established under DST-CURIE grant and campus-wide internet access established. In order to maintain a high quality research, students and staff members are constantly motivated by various programmes with renowned speakers. Research methodology workshop was conducted at Mother Teresa Women's University periodically in order to enlighten the students, scholars and researcher to do quality research.
