Vice Chancellor's

Message

Greetings and best wishes!

True education leaves its imprints on the students' soul long after they complete their formal education. In a shrinking global world, pursuit of academic excellence needs to be blended with cosmopolitan and global values while keeping the moral, spiritual and ethical essence and ethos of Indian education system alive. As an Vice Chancellor, I am confident that efforts to excel in the field of higher education and the inculcation of moral values in the students at the University Campus will continue in future with a greater zeal. We as a team at Mother Teresa Women's University strive to prepare students to become better citizens of our country irrespective of their cultural and financial background and contribute in the welfare of society and country's development. I am glad to know that the University magazine 2016- 17 Issue- 1 is ready for publication. We lay strong emphasis on research so that the students gain higher technical and scientific competence, to have an edge over others. A significant part of our University's overall research is undertaken in collaboration with industry and scientific research and development agencies. Teaching learning takes place in the form of Context Learning whereby students are able to construct meaning based on their own experiences. Context Learning includes problem solving, internship and service learning. I applaud the editorial team for the hard work and dedication they have invested in realizing this goal, and wish all success in future endeavors.

Dr. G. Valli
Vice Chancellor

Registrar's Message

Greetings and best wishes!

Ingrained with a philanthropic vision and missionary ardor to encourage the youth to achieve brilliance in their chosen fields of study, Mother Teresa Women's University has already carved a niche for itself in the academia. A concrete demonstration of the extraordinary passion and commitment, recognition for its proactive administration, state-of-the-art infrastructure and facilities; well-equipped laboratories with modern equipment, highly qualified & experienced faculty members and best practices in teaching and learning processes makes the University the most sought after University. Establishing University in tribal area would envisage the cause of enlightening the minds of tribal youths to new frontiers of knowledge at their door step and pave way in transforming youth energy in economic, industrial, entrepreneurial, social and cultural growth. We believe in empowering students with strong knowledge base and quality standard of higher education in a holistic and multidimensional manner encompassing all theoretical, applied and conceptual aspects by maintaining the exclusiveness of the discipline. I am glad to know that the University news flash 2016- 17 Issue- 1 is ready for publication and also I extend my words of appreciation to the editorial board and the team who have worked hard for this creative venture.

Dr. Kala
Registrar

Vice Chancellor's Accomplishments

- Attended the Vice-Chancellor's Meeting at TANSICHE, Chennai on 09.06.2016.
- Attended as a Selection Committee Member at Dr. M.G.R. Medical University, Chennai for the Selection of the Registrar of the same University on 15.06.2016 at 2.30 PM
- Visited to Coimbatore to establish Mother Teresa Women's University Research & Extension Centre at R.S.Puram, Coimbatore on 15.07.2016.
- Acted as Chief Guest on the occasion of Annual Graduation Day on 19.09.2016 at M.V.M.Govt. Arts and Science College, Dindigul.
- Presidential Address given on "One day International Seminar on Nano science & Technology (ISNST-2016)" organized by Department of Physics, Mother Teresa Women's University, Kodaikanal on 20.09.2016.

Invited as Chief Guest on the Felicitation and presentation of awards for IAS & IPS candidates selected in the civil service examinations for the year 2016 from the State of Tamilnadu held at Dr.MGR Janaki College of Arts & Science for Women at 11.AM on 5.7.2016 organized by Chennai Tamil Sangam, Chennai.

session-II, Dr. M. Karthikeyan, Associate Professor, Department of Cooperatives, Ambo University, Ethiopia delivered a speech on “Pillars of Sustainability in Banking” and in Technical session-III, the Resource person Dr.A.Mahendran, Associate Professor, Department of Cooperatives, Ambo University, Ethiopia delivered a speech on “Ratio Analysis in Banking”.

National Seminar on Capital Markets and Mutual Funds – 19/09/2016

The Department of Management Studies organized a National Seminar on “Capital Markets and Mutual Funds “. The Resource persons were Dr. K. Sukumaran, Dean, NISM, Dr. Sandhip Ghosh, Director, NISM, Shri. K. S. Rao, Head, Investor Education & Distribution Development, Birla Sun Life Mutual Fund, Shri. Balasubramanian Thiagarajan, Co-founder and CEO, Stratadigm,

A One Day State Level Seminar on ‘Blossoms in English’ – 14/09/2016

A One Day Seminar on ‘Blossoms in English’ organized by Dr.A.BlessingMary, Assistant Professor of Education, Department of Education at Mother Teresa Women’s University, Anandhagiri, Kodaikanal on 14th September 2016. The Resource Person was Dr.V.Ambedkar, Associate Professor of Education, Annamalai University.

State Level Seminar on “Blossoms in English” -14/09/2016

A One Day Seminar on ‘Blossoms in English’ organized by the Department of Education at Mother Teresa Women’s University, Anand-hagiri, Kodaikanal. The Resource Person was Dr.V.Ambedkar, Associate Professor of Education, Anna-malai University.

National Seminar on “Ozone layer depletion & conservation-issues and Challenges” -16/09/2016

National Seminar on “Ozone layer depletion & conservation issues and Challenges” organized by the Department of Biotechnology at Mother Teresa Women's University, Kodaikanal. The resource persons were Dr. K. Muthuchelian, Prof & Head, School of Energy, Environment & Natural Resources, Madurai Kamarajar University, Madurai.

National Conference on Emerging Trends in Biotechnology Research and Commercialization - 02/11/2016

National Conference on Emerging Trends in Biotechnology Research and Commercialization organized by the Department of Biotechnology at Mother Teresa Women’s University, Kodaikanal. Dr.K.Dharmalingam, Professor Emeritus, Department of Biotechnology, Madurai Kamaraj University, Madurai was the Chief Guest.

International Seminar on Material Science and Applications 25/11/2016 (ISMSA-2016)

An International Seminar on Material Science and Applications (ISMSA-2016) was conducted by the Department of Physics. Around 168 participants attended the seminar. The Resource person was Professor Dr. S.Selva sekarapandian, Director, Materials Research Centre, Coimbatore, Tamil Nadu, India

International Dialogue on Gandhian Perspectives of Equality & Classes—21/10/2016

The Centre for Gandhian Studies organized an International Dialogue on Gandhian Perspectives of Gender Equality & classes. Ms.Jill Carr Harris, IGINP, Canada was the Guest Speaker for the International Dialogue. Dr.B.Ananthavalli, Director TVI&BINOWS for Gandhian Studies was the Invited Speaker.

Workshops /Special Lectures

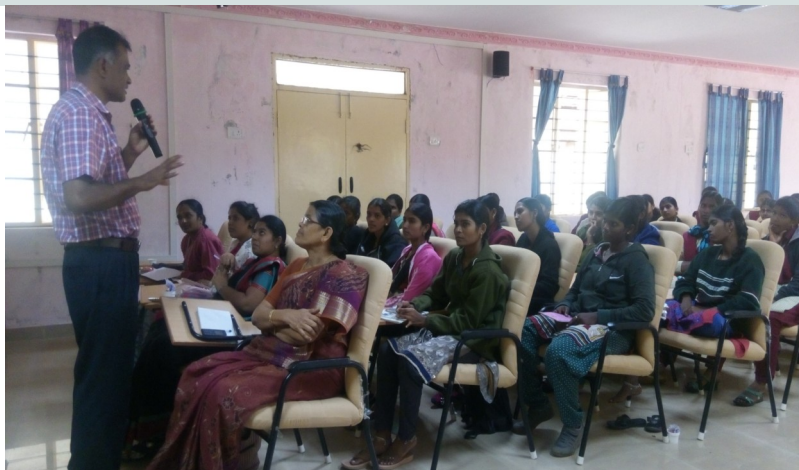

Guest Lecture on Plant Taxonomy and its Importance 10/08/2016

The Department of Biotechnology organized a Special Lecture on “Plant Taxonomy and its Importance”. The Resource person was Dr.C.R.Nagendran, Visiting Professor, Department of Botany, Mysore University, Karnataka.

SPECIAL LECTURE ON “OPPORTUNITIES FOR RESEARCH”

20/07/2016

A special lecture on Opportunities for Research was organized by Dr. Rosalind Franklin Chemistry Association, Department of Chemistry, Mother Teresa Women's University, Kodaikanal on 20.07.2016. The special talk was delivered by Professor. Abraham John, Gandhigram Rural Institute, Dindigul. The talk was highly informative. Nearly twenty one students attended the lecture.

SPECIAL LECTURE ON “NMR SPECTROSCOPY” 22/08/2016

(ISMSA-2016)

A special lecture on NMR Spectroscopy was organized by Dr. Rosalind Franklin Chemistry Association, Department of Chemistry, Mother Teresa Women's University, Kodaikanal on 22.08.2016. Dr. S. Ravi, Professor and Head, Department of Chemistry, Karpagam University Coimbatore delivered the lecture. The talk was highly informative. 21 students attended the lecture.

Guest Lecture on PCR Principles and its applications 12/08/2016

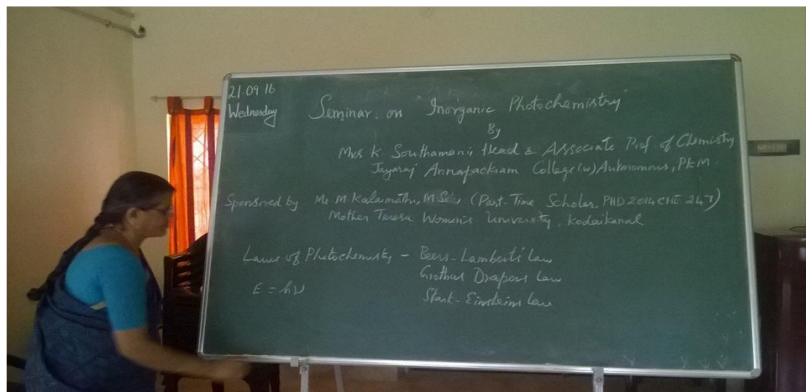

The Department of Biotechnology organized a Special Lecture on “**PCR Principles and its applications**”. The Resource person was Mr. N. Vijayarangan Field Application Specialist Bio Rad India Laboratories, Bangalore, Karnataka.

Special Lecture on Basic Techniques in Crystal Growth-24/08/2016

The Department of Physics organized a Special Lecture on “Basic Techniques in Crystal Growth”. Dr. L. Vedha Potheher, Assistant Professor, Dept. of Physics, BIT Campus, Anna University, Trichy delivered special lecture on Basic Techniques in Crystal Growth. He elaborated the significant advances made in the field of nonlinear optics and optical computing.

SPECIAL LECTURE ON "INORGANIC PHOTOCHEMISTRY" 21/09/2016

A special lecture on Inorganic Photochemistry was organized by Dr. Rosalind Franklin Chemistry Association, Department of Chemistry, Mother Teresa Women's University, Kodaikanal on 21.09.2016. Special lecture was delivered by Dr. Southamani, Associate Professor, Jayaraj Annapackiam College, Theni. 21 students attended the lecture.

Workshop on Nourishing Recipes for Healthy Life -23/09/2016

The Department of Home Science organized a One day workshop on "Nourishing Recipes for Healthy Life" at Mother Teresa Women's University Research & Extension Centre, Coimbatore.

Guest Lecture on Cardiovascular diseases (Cell line and Animal Model) -30/08/2016

The Department of Biotechnology organized a Special Lecture on “Cardiovascular diseases (Cell line and Animal Model)”. The Resource person was Dr. S. Achi Raman, Department of Environmental Biotechnology, Bharathidasan University, Tiruchirappalli.

Guest Lecture on Obesity -30/08/2016

The Department of Biotechnology organized a Special Lecture on “Obesity”. The Resource person was Dr. S. Kamalakkannan, DST- Young Scientist, Bishop Heber College, Tiruchirappalli.

Special Lecture on Contribution of Molecules, Atoms and Particles in Physics -31/08/2016

The Department of Physics organized a Special lecture on “Contribution of Molecules, Atoms and Particles in Physics”. The lecture was delivered by Dr. T. RajeshKumar, Assistant Professor, Department of Physics, GTN Arts College, Dindigul.

Workshop on Recent Advances in Chemical Sciences 23/09/2016

The Royal Society of Chemistry South India sponsored workshop on “Recent Advances in Chemical Sciences”, was organized by the Department of Chemistry at Mother Teresa Women’s University, Kodaikanal.

Special Lecture on Growth of Crystal with Simplest Methods and their Characterization -30/09/2016

The Department of Physics organized a Special lecture entitled “Growth of Crystal with simplest methods and their characterization”. The lecture was given by Dr. R. Jeyasekaran, Assistant Professor, Department of Physics, VHNSN College, Virudhunagar.

One Day Seminar on Conflict Management and Conflict Resolution -09/08/2016

One day Seminar on Conflict Management and Conflict Resolution was organized by Department of Education. The resource person was Dr.Rajan, Associate Professor, Department of Lifelong Learning, School of Education, Alagappa University, Karaikudi.

Data analysis using Statistical Package for Social Sciences (SPSS) - 12/09/2016

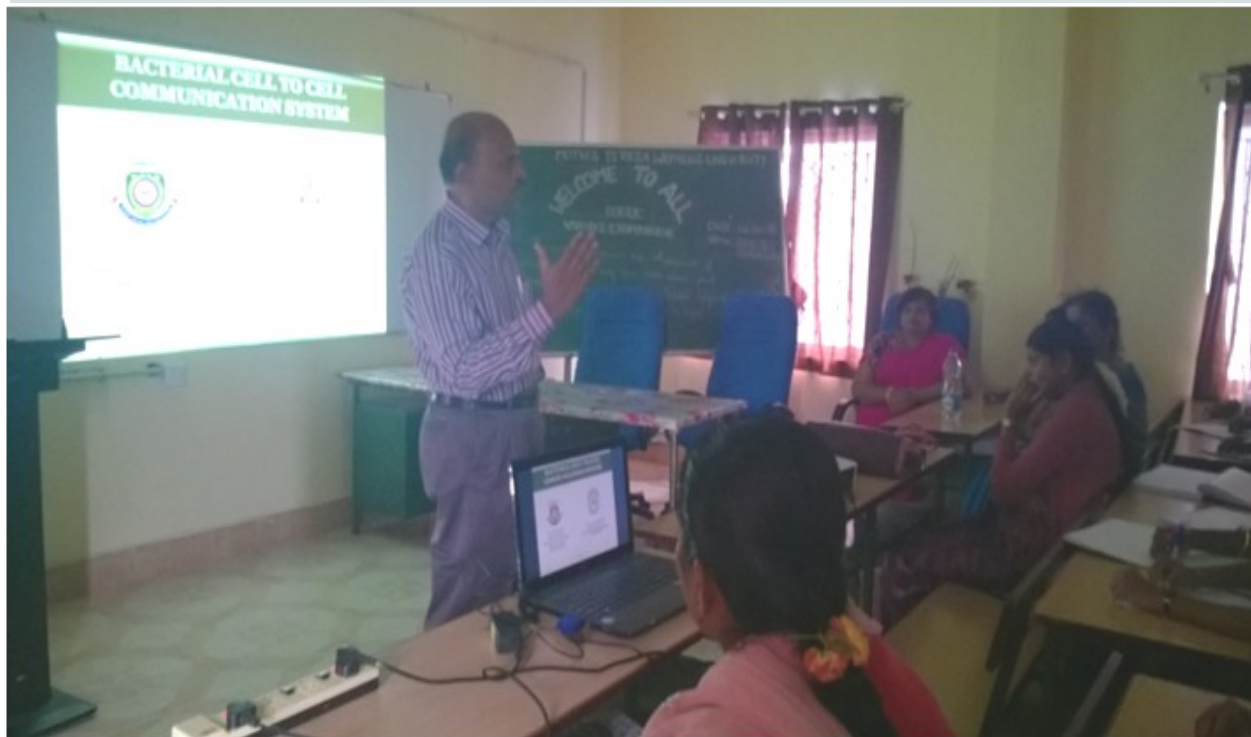

An invited special lecture cum workshop on Data analysis using Statistical Package for Social Scienc-es (SPSS) was organized by Eddies Club, Department of Education, Mother Teresa Women's University, Kodaikanal. Dr.Thiyagu, Assistant Professor, Department of Education, Central University of Tamil Nadu, Thiruvavur served as resource person and oriented the students about usage of SPSS.

A Two day International Workshop on Image Processing using MATLAB –06/10/2016 & 07/10/2016

A Two day International Workshop on Image Processing using MATLAB was held at the Department of Computer Science, Mother Teresa Women's University, Kodaikanal. Mr.R.R.Suresh SAP HR Solution Architect for Madhvani Groups, Jinja, East Africa was the Chief Guest. The keynote address was delivered by Mr.Kavin Kumar.

Bacterial cell to cell Communication system Alternatives to Antibiotics –04/08/2016

The Department of Biotechnology organized a Special Lecture on “Bacterial cell to cell Communication system Alternatives to Antibiotics”. The Guest Speaker was Dr. A. Veera Ravi, Associate Professor Department of Biotechnology, Alagappa University, Karaikudi. The Students of Biotechnology eagerly attended the lecture and clarified their doubts with the speaker on the topic.

Two days National Workshop cum exhibition on mushroom identification, taxonomy, toxins and products (mittp-2016) 8th & 9th september 2016

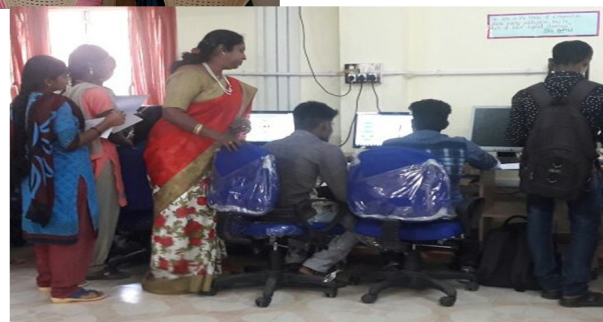

Two days National Workshop cum Exhibition on Mushroom identification, Taxonomy, Toxins and Products(MITTP-2016) organized by the Department of Biotechnology at Mother Teresa Women's University, Kodaikanal. The Resource persons were Dr. A. Usha Raja Nanthini, Dept. of Biotechnology, MTWU, Kodaikanal and Dr.N.Jayakumar, Kamarajar Govt. Arts College, Surandai.

Workshop on Virtual Dissection Lab In Zoology (VDLZ – 2016) 18/10/2016

Workshop on “Virtual Dissection Lab In Zoology” (VDLZ 2016) was organized by the Department of Biotechnology at Mother Teresa Women’s University, Kodaikanal. Around 180 participants from various colleges attended the Workshop.

A Two-day Workshop on “Film Appreciation and Criticism” 20/10/2016

A Two-day Workshop on “Film Appreciation and Criticism” was organized by the Department of Visual Communication at Mother Teresa Women’s University, Research and Extension Centre, Chennai

Special Lecture on Pollution and Human Health - 03/10/2016

The Department of Biotechnology organized a Special Lecture on **Pollution and Human Health**. The Resource person was Dr. R. Babu Janartham, Associate Professor, Department of Biotechnology, Thiruvalluvar University, Vellore

Special Lecture on Microbial influenced corrosion in oil reservoir and its control - 03/10/2016

The Department of Biotechnology organized a Special Lecture on **Microbial influenced corrosion in oil reservoir and its control**. The Resource person was Dr. A. Rajasekar Assistance Professor, Department of Biotechnology, Thiruvalluvar University, Vellore

Awards and Honors Conferred

S.No	Year of award	Name of full time teachers receiving awards from state/ national/ International level	Name of the award, fellowship, received from Government or recognized bodies
1.	July 2016	Dr.P.Mariarnmal Assistant Professor of Historical Studies and Tourism Management	Urai Nadai Oli Virudhu , Karanthai Tamil Sangarn, Tamil Aiya Kalvi kalan, Avaikottarn Thiruvaiyaru
2.	August 2016	Dr. M. Pushpa Rani Professor of Computer Science	Rashtriya Gaurav Award, International Friendship society, Assam
3.	October 2016	Dr. M. Pushpa Rani Professor of Computer Science	Glory of India Award, International Friendship society, Assam
4.	November 2016	Dr.C.Thamaraiselvi Assistant Professor of Biotechnology	Excellent Paper award, Jaipur University, West Bengal
5.	November 2016	Dr.M.Umadevi Associate Professor of Physics	Excellent article award, Journal Material Science and Technology Best Publication Award
6.	2016	Dr.K.Prabha Assistant Professor of Physics	Best Researcher Award
7.	2016	Dr.R.Parimala Devi Assistant Professor of Physics	Best Joint Publication Award

Research Projects/ Students Fellowship

Title of the Project	Name Faculty	Funding Agency	Department	Year	Amount
Development of Nematode based bio pesticides Formulation for Sustainable agriculture.	M. Razia	DST-SERB	Biotechnology	2016	11,00,000
Investigation of Nutritional deficiency Diseases among schedule Adolescents girls (SC&ST) and impact of Nutrient ball supplementation and dietary intervention	Dr. S. Geethanjali	DST-SERB	Home Science	2016	25,45,614
Investigation on rare earth metals doped metal oxide nano particles for sensor and solar cell applications	Dr.K.Prabha	DST-SERB	Physics	2016	44,46,400
Investigation of Hydrogen bonding interactions and phase transistion studies of organic compounds	Dr. Madhukar Hemamalini	UGC	Chemistry	2016	5,00,000
