About the Programme:

The MBA Programme is a two year Programme which creates business leaders, outstanding managers and entrepreneurs. The Programme moulds the participants into managers and entrepreneurs to deal with complex situations in the organization. Emphasis is also given on Ethical leadership and a hands on experience in Information Technology. Apart from the formal coursework during the first year, the students can opt for a dual specialization from the four offered in the Programme. The Programme also provides a platform for acquiring knowledge about Human Resource Management, Finance, Marketing Management, and Systems. Candidates who successfully complete the Programme can find placements in any industry, government, non government organizations, research arena, and entrepreneurship in various disciplines and academics.
